

ANNUAL REPORT 2022

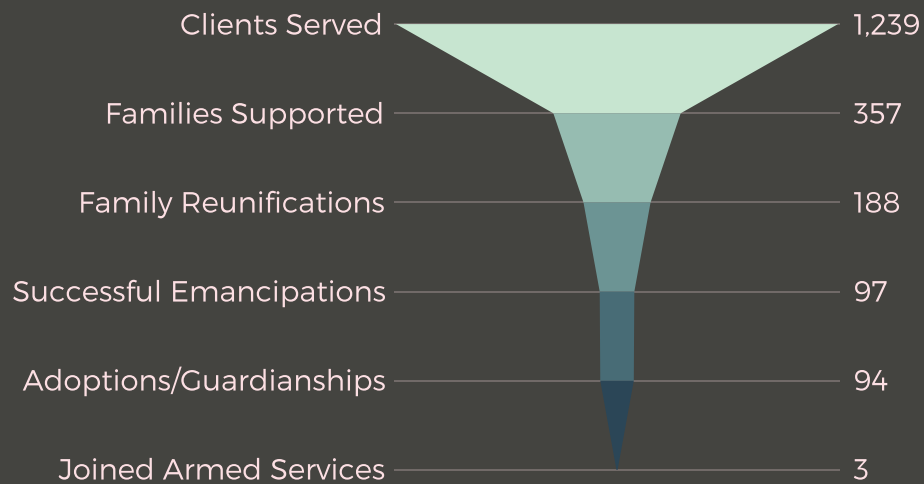

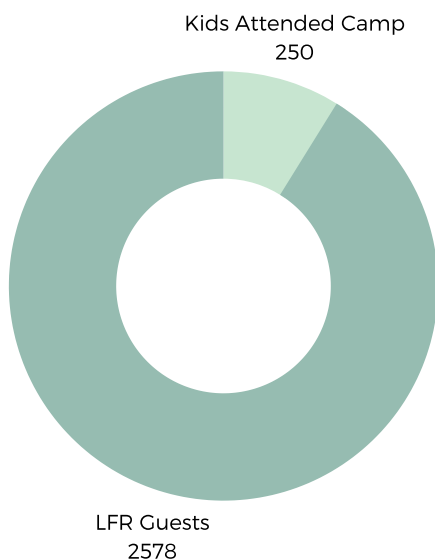

THANK YOU TO OUR EA TEAM!

Together we effected almost 2,000 clients and families.

Our incredible team of 323 dedicated employees remained committed, while COVID persisted throughout 2021. We have 302 amazing families who dedicated their lives to caring for kids even with the added challenges of quarantines, COVID testing, and remote work!

We had the opportunity to further families having fun together, as well as providing an amazing summer camp experience for 250 kids!

VISION

To be the agency of choice and trusted partner to support healthy relationships and create opportunities through a community-focused company built on the strengths and dedication of its people

MISSION

To support individuals and families in cultivating positive relationships and lifelong connections
